Garnier-Thiebaud

Garnier-Thiebaud has pioneered many of the textile industry's design and technology inventions for the production of fine linens. Today, the company's manufacturing facility in Gerardmer, France is Europe's most advanced center for the design, color and production of fashion fabrics – notably, table linens, bed linens, and other textile accessories – for the hospitality industry.

Holsag

Holsag Europe was founded in 1960. Holsag Canada was established in 1990 and has been operating as a privately owned manufacturer of chairs and barstools focused on the senior living, healthcare, education, and hospitality markets in North America.
